WELCOME TO LENNONS RESTAURANT & BAR

DRINKS MENU

OUR HISTORY

Brisbane has had a Lennon's Hotel since 1884 when hotelier John Lennon built a stylish three-story building on George St.

Lennon's Hotel was built with the most fashionable features, including a ladies drawing room, nine bathrooms, 62 bedrooms and ornate cast iron features.

In 1941, it was knocked down and a more substantial building was built.

Lennon's became the place for the rich and famous, then in 1972, Brisbane Council bought the building and the Lennon's that you stand in today was built on Queen Street mall.

In 1995 the building was renamed Lennon's Country Comfort Hotel and then Chifley in 2003.

Next Hotel was established in 2014 as the first premium hotel for the Next Story Group. Lennon's restaurant has been named in the old hotel's honour.

Please read through our extensive drinks list.

We have sourced many of our products from Australia to match with our contemporary Australian cuisine.
